Bi-Weekly Body Meetings

Body meetings are every other week on **Tuesdays at 7:30pm**. They are a combination of virtual and in person meetings. Our body meetings consist of various speakers from different companies, as well as internship panels, professional development, and more.

Requirements for virtual meetings:

- Camera must be turned **on**
- If your camera is off or you look pre-occupied (folding laundry, doing dishes, etc.), **you will be removed from the meeting and will not be counted for attendance.**

WIBternship

What is WIBternship and why is it required*?

WIBternship is our new member program for freshmen and sophomores (although any WIB member is welcome to attend any workshops).

At meetings we go over the basics of employability in a low stakes environment, focused on learning and development.

Our speakers and contacts want to hire our members, so this program is important to provide our new members with the necessary skills.

What is the time commitment of WIBternship?

Every other Tuesday at 7:30PM* (opposite weeks as the body meetings)

Is WIBternship a competitive/rush process?

No! All we ask is that you show up, are engaged, and do your best!

WIBternship- Schedule

Tuesdays at 7:30PM, location TBD
